Hi John,

I looked over your amendment request to change contact information (which looks good), and I noticed that the address of the Pearson Family Trust hasn't been provided, which is something specifically required by rule.

Either send me the Pearson Family Trust address by email for me to write onto your replacement page, OR please provide the Division with two replacement clean copies of the replacement pages with the following:

- 1) Both pages: Remove redline strikeout and old contact information.
- 2) Page 2: Provide the address of the Pearson Family Trust and that of any other surface and/or mineral owners. (There is no need to provide redline strikeout for this simple change.)

Either way works for me. If you find it easier to send any replacement pages by email, instead of by normal mail, let me know.

Thanks.

Peter
